Career Objectives

As a 3rd year student who is interested in computer science, I want to do web design and coding, and work in which I am more interested in design. I have a career orientation where I can integrate modeling and software.

Education

2020- Present	Anadolu University , Faculty of Distance Education, Department of Web Design and Coding
2018-Present	Middle East Technical University , Faculty of Education, Department of Computer Education and Instructional Technology (100% English) GPA: 2.94
2017 - 2018	Bahçelievler Final Temel Anatolian High School
2013-2017	Kastamonu Taşköprü Science High School Diploma Grade: 92.97

Experience

October 2022-	Volunteer, Türkiye Zeka Vakfı, Middle East Technical University <ul style="list-style-type: none">Currently blogging as part of voluntary community service
---------------	--

March 2022- September 2022 *Trainee Developer, Patika Dev.& Kodluyoruz Bootcamp*

- With the collaboration of Patika & Coding, a program was organized for those who want to start software and those who want to work as software developers after graduation.

April 2021- November 2021 *Active Member, METU Statistic Club*

- Worked on the training and design subcommittee.
- Participated in the designs made for the trainings organized.
- Pandas and data analysis course were taken.

January 2019-November 2020 *Volunteer Theater Actor, METU Fine and Arts Society*

- Took theater lessons voluntarily for 1 year.

September 2018- 2019 *IT Cordinator, METU BEST Ankara Society*

- After being an active team member, worked as an IT coordinator under the name of the Social Media Management department.

Certificates

May 2021

Data Science: Inference and Modelling

- A course of study offered by HarvardX, an online learning initiative of Harvard University.

May 2021

Data Analysis with Python and Pandas

- METU Statistics and Data Science Club.

May 2021

Introduction to Cloud Development with HTML, CSS, and JavaScript

- A course of study offered by IBM, an online learning initiative of IBM.

May 2021

Designing the User Experience

- A course of study offered by edX, an online learning initiative of the University of Maryland.

April 2021

Robotalks 3.4

- METU Robotics Society.

April 2021

Python Basic for Data Science

- A course of study offered by IBM, an online learning initiative of IBM.

April 2021

Introduction to Data Science

- A course of study offered by IBM, an online learning initiative of IBM.

April 2021

Data Science: Visualization

- A course of study offered by HarvardX, an online learning initiative of Harvard University.

April 2021

Blogging Training

- A course of study offered by İstanbul Business Institute.

SKILLS

Language Skills: English (Intermediate), Persian (Beginner),
Computer Skills: Microsoft Office Programs, Java, Python, Html, PHP, CSS

INTERESTS

Playing tennis, reading, and research about computer science, traveling, take photos and produce content on social media.
