PROFILE

I am a passionate civil engineer, holding a BSc. degree from the Middle East Technical University (METU), with a minor in Electronic Materials in Metallurgical and Materials Engineering. I aim to integrate innovative technology into civil engineering practices, advancing sustainability and fostering innovation. With a deep-rooted enthusiasm for learning and problem-solving, I strive to drive significant impact within my team and projects. I am committed to achieving excellence in every task, ready to embrace challenges and push boundaries.

EDUCATION

- - o Taking courses related to geotechnical engineering subjects
 - o Conducting geosynthetics-related experiments under the supervision of Dr. Onur Pekcan
- - o Graduated with Honors (CGPA: 3.40 / 4.0)
 - o Ranked 4th among 326 students
- Middle East Technical University (METU).......Oct, 2020 Jul, 2023
 Minor in Electronic Materials

 Ankara, Turkey
 - o Engaged in research-related coursework
 - Performed experiments on materials such as R350HT railway material
 - Took courses in electronic materials

EMPLOYMENT HISTORY

	0	Developed a research database to store and organize project data
	0	Conducted literature reviews to identify the latest developments in the field, enabling informed
		research decisions
	0	Assisted in designing experiments, enhancing the accuracy and reliability of research outcomes
	0	Provided personalized assistance to students with special needs, contributing to improved academic
		performance
	0	Assisted in creating individualized learning plans to meet the unique needs of students
	Project	et Assistant, TÜBİTAKSep, 2023 – Nov, 2024
	0	Managed project documentation and ensured accuracy and completeness
	0	Monitored project progress and identified risks, offering solutions to ensure project success
	0	Scheduled and coordinated project-related meetings and events, ensuring effective use of resources
		and time
SKILLS		
SITILLS		
	Microsoft	t Office
	MATLAI	B Proficient AutoCAD Experienced
LANGUAGES		
L/HVGC/TGL5		
	English	
TEST SCORES		
	TOEFL	
	I OLI L
