

Math 118 - Calculus II (2026-2027 Fall)

Schedule of Lectures:

Tuesday : 15:40-17:30 (P-1)

Thursday : 15:40-17:30 (P-1).

Schedule of Recitations :

Section 11 :

Friday : 13:40-15:30 (Z-118),

Section 12 :

Friday : 15:40-17:30 (M103).

Textbook : A complete course : Calculus by Robert A. Adams, Christopher Essex

Exams :

Exam 1 (33 Points) : November 14, 2026 (Saturday), 13:30,

Exam 2 (33 Points) : December 19, 2026 (Saturday), 13:30,

Exam 3 (34 Points) : January 7, 2027 (Thursday), 16:30.

Grading : Although a curve based on the distribution of total grades will be consulted letter grades will be mainly determined by a system similar to Old Catalog and this will be done AFTER Exam 3.

Office Hours of Yasemin Talu : If you have any questions you should make an appointment via email first so that I'll be in the office. The day and times for appointments are

Wednesday : 11:30-12:30 and 16:30-17:20 (M-223).

Office Hours of Hakan Yeter :

Office hours will be held in the Helproom which is on the first floor of Mathematics Department and as soon as the schedule of the Helproom is available you will be notified.

Important notes for the Course and the Exams :

- No questions will be answered on the day of an exam.
- There is no make-up exam unless there is a very good reason. Do not assume that just because you have got a health report from the Student Health Centre, Family Physician, etc for a very flimsy reason (headache, nausea, stomach pain, etc.) you will be eligible to take a make-up exam. In other words you will not be given a make-up exam unless you have a very **SERIOUS HEALTH PROBLEM** or a very **LEGITIMATE REASON** which you must inform me **BEFORE** the exam and in a way you must convince me. If I have to give a make-up exam there will be only one such exam and you will be responsible from all the topics covered during the term.
- **Please check your e-mail and Math 118 page on ODTÜClass regularly.**
- Please check the dates and times of all your exams **ASAP**. If you have two exams at the same time it is **YOUR RESPONSIBILITY** to speak to your instructor(s) without any delay so that he/she can make the necessary changes.
- No attendance will be taken. However you are strongly advised to attend both the lectures and recitations.
- If you miss 2 exams you will be assigned the letter grade NA.

- If the result of your Exam 1+the result of your Exam 2 is less than or equal to 11 out of 66 (or 22 out of 132) or if you miss one of the first 2 exams and the result of the exam you did not miss is less than or equal to 11 out of 66 (or 22 out of 132) you will not be admitted to Exam 3 (Final Exam) and your letter grade will be NA.
- **A number of exercise sets will be sent via e-mail (They will also be uploaded to ODTÜClass). Sometimes an exercise set may contain definitions or results not given in the classroom and you will be expected to learn them.**

Information for Students with Disabilities

Students who experience difficulties due to their disabilities and wish to obtain academic adjustments and/or auxiliary aids must contact ODTU Disability Support Office and/or course instructor and the advisor of students with disabilities at academic departments (for the list: <http://engelsiz.metu.edu.tr/en/advisor-students-disabilities>) as soon as possible. For detailed information, please visit the website of Disability Support Office: <https://engelsiz.metu.edu.tr/en/>

Academic Honesty The METU Honour Code is as follows: "Every member of METU community adopts the following honour code as one of the core principles of academic life and strives to develop an academic environment where continuous adherence to this code is promoted. The members of the METU community are reliable, responsible and honourable people who embrace only the success and recognition they deserve, and act with integrity in their use, evaluation and presentation of facts, data and documents."
